

**Wouldn't you like to
wear jeans to work?**

**Any day of the week!
Until the end of December!**

Pay \$5 per day to wear jeans and that money will support the Holiday Baskets Program. Give the money to and get a button from

Nancy Koch x2374

and wear the button on the days that you wear jeans.
Old buttons still work if you have a button from years-past.

Thanks for your support!
